

# ECOS Steering Committee

## M I N U T E S

DATE: 18/06/2013	OBJECT: 6th Steering Meeting – 2013/06/18
N/REF: ENSAR-ECOS/2013.03	PLACE: Warsaw, Poland

INSTITUTION	IFJ PAN	CNRS	GSI	INFN	JYU	GANIL
PRESENT	A. Maj	F. Azaiez		E. Fioretto	R. Julin	K. Turzó M. Lewitowicz
EXCUSED			D. Ackermann	G. De Angelis		
DISTRIBUTION:	PARTICIPANTS AND NON PARTICIPANTS					

INSTITUTION	Huelva Univ.					
PRESENT	I. Martel					
EXCUSED						
DISTRIBUTION:	PARTICIPANTS AND NON PARTICIPANTS					

N°	TOPIC	SPEAKER
1	<p><u>Map of beams</u></p> <p>In progress at GANIL.</p> <p>Almost on the stage to be tested by physicist at GANIL.</p> <p>Test by ECOS Steering Committee: early September 2013.</p> <p>Some data are missing (minimal energies, intensities) from Krakow, Orsay, Legnaro</p> <p>If necessary, personal reminder to members of Steering Committee.</p>	
2	<p><u>Deliverables</u></p> <p>Question of the section dedicated on Targets in the FUSHE report.</p> <p>It is necessary to have a more detailed report on targets for the 1<sup>st</sup> deliverable. Ask</p>	

	<p>Dieter what is the strategy about this deliverable report (involvement of Christelle Stodel?). Is there someone from Mainz to help?</p> <p>The Steering Committee will exchange e-mails in order to decide who writes which part of the deliverable report (on synergy between stable ion beams facilities in EUROPE) deliverable 3</p>	
3	<p><u>Revisions and updates of ECOS document</u></p> <p>To be done before the ECOS Town Meeting in 2014.</p> <p>Dieter and Rauno will collect already existing suggestions of updates and send them to the Steering Committee.</p> <p>Faiçal will send a message to representatives of facilities in order to check the description of facilities in the ECOS document.</p> <p>Facilities to add: ALTO and Polish labs in order to follow the list of members of the ECOS collaboration.</p> <p>Huelva -&gt; short text to add to the recommendation on this future facility (Ismael -&gt; Faiçal)</p> <p>Revisions to be discussed during the next ECOS meeting.</p>	
4	<p><u>Forum for technical staff</u></p> <p>Adam will prepare a draft forum with the IFJ PAN computer department.</p> <p>Possibility to receive all forum posts by e-mail.</p> <p>Necessity to have someone checking the registrations (GANIL, LNL?).</p> <p>Add a short text to explain the purpose of the ECOS Facility Forum -&gt; technical experts</p> <p>Choose some topics of discussion to start the forum.</p>	
5	<p><u>Workshop</u></p> <p>Stable ions beam facilities technical workshop will be established as a tradition with the first of the kind to be organized by GANIL: Frédéric Chautard</p>	
6	<p><u>Leaflet</u></p> <p>Question: why not having NuPECC taking charge of it? Or to the European Physical Society?</p> <p>From the ECOS, write texts for the layman to be published on the ECOS web pages.</p>	
7	<p><u>ECOS Town Meeting</u></p> <p>To define the date and place during the next ECOS SC meeting, as the organizing committee.</p>	
8	<p><u>Huelva Workshop</u></p> <p>Ismael sent a text with the date.</p>	

	ECOS SC will help to define the scientific programme.	
9	<u>Next SC meeting</u> Huelva – 21, 22 October ? finally we decided that it will be 30-31 October in Huelva
